General

How to Apply

Please read the [recruitment process](#) to understand the criteria your application will be scored against, and the person specification for either the [Science Council](#) or [Scientific Advisory Committees](#) before completing your application form.

This year our application form is hosted on Survey Monkey.

Please complete the registration form below and we will email you a personalised link to the application form.

Please note: Applicants must allow for up to 72 hours between requesting and receiving the application form. This registration form closes 17:00 (BST) Friday 20th October 2023.

Submission of applications closes Monday 23rd October 2023 at 23:45 (BST).

Interviews for shortlisted applicants will take place in December 2023 and January 2024.

Appointments will be confirmed in February 2024.

Induction will take place in March 2024.

Please email any further questions to [the SAC recruitment team](#).
